

Lakefront Improvement Plan

he Chicago Bears accomplished one of their greatest off-field achievements in team history with the legislative approval of a lakefront improvement project including a new football stadium within the historic confines of Soldier Field.

The City of Chicago's Lakefront Improvement Plan was announced publicly by Mayor Richard M. Daley on November 15, 2000. The proposal replaces parking lots with 17 acres of new parkland and includes an underground parking structure, a Veteran's Memorial Wall, easier access to the museum campus and many more amenities giving Chicagoans and tourists the ability to enjoy the lakefront year round.

Bears President and CEO Ted Phillips and his team of experts brought the team's 44-year stadium search to a close with State and City approval. On January 5, 2001, Governor George Ryan signed House Bill 1284, designed to help fund a new stadium and enhance Chicago's lakefront. Chicago's Planning Commission approved the project on March 20, 2001.

Demolition and construction is scheduled to begin following the final home game of the 2001 season (either regular season or playoffs) and the Bears will open a new stadium in 2003. Chicago will have a temporary home for the 2002 season during the ongoing construction process at Soldier Field. At the time of print, the University of Illinois' Memorial Stadium in Champaign, Illinois, was the leading candidate to house the Bears in 2002.

- The project will create approximately 17 acres of additional waterfront parkland programmed for year-round public uses such as a sledding hill, winter garden, a terraced park and other features, The additional recreation space for Chicago and its visitors will result in the largest lakefront play/education neighborhood in Chicago.
- The year-round parking facility will create: 2,500 new underground parking spaces and 3,100 outdoor spaces (to ensure Chicago's great tailgating tradition).
- New Stadium Amenities include:
 - Increased sideline seating from 40% to over 60% and improved sight lines.
 - A capacity of approximately 60,000 62,000 seats, including 8,600 cushioned club seats, which will be 21" wide. General seats will be 19" - 20" wide.
 - An increased number of new and improved restrooms (over 1,000 restroom fixtures) plus more variety and access at over 350 concession points of sale and wider aisle ways to relieve congestion in the concourses.
 - Two state-of-the-art super-sized video boards and sound system.
 - A south courtyard inside current Gate "O" providing outdoor concessions.
- . Above and beyond Bears games, the new stadium will host an increasing number of athletic events, prime concerts, and large civic, cultural and educational gatherings. The unique design will allow for easy stage setup and take down, along with a field that can accommodate both professional and international soccer events.
- Paying for the Lakefront Initiative
 - The Chicago Bears are contributing \$200 million dollars to the project, one of the largest ever for a NFL team to a publicly owned stadium. The team will pay annual rent in addition to accepting cost overrun responsibilities for the entire lakefront project.
 - The entire cost of the Lakefront Project is being raised without involving local or state income, property or sales taxes. The Illinois Sports Facilities Authority will issue bonds to be repaid from annual collections of the existing 2% downtown Chicago hotel tax. There is no extension or increase of any taxes. Current hotel tax surplus and projected growth will support the financing.

The Bears

One of the world's most storied professional sports franchises, the Chicago Bears were established in 1920 as George Halas founded professional football with representatives from 12 other clubs in Canton, Ohio. Halas was not only the team's founder but served as head coach for 40 years, and was active with the Bears until his death in 1983. The franchise has won nine world championships, six of those coming between 1932-46, and in 1997 became the first club in NFL annals to notch its 600th victory. The team has participated in the playoffs 22 times, and sent 24 players, one coach, and one general manager to the Pro Football Hall of Fame, the most of any team.

A native Chicagoan, Halas was a three-sport letterman at the University of Illinois. He joined the Navy after graduation before playing right field for the New York Yankees. A hip injury ended his baseball career and Halas moved to Decatur to work for a corn products firm owned by A.E. Staley, who sponsored a semi-pro baseball team and later commissioned Halas to organize an independent football team. One year later, Staley gave Halas the club and Halas made Dutch Sternaman his partner. Halas was a player-coach from 1920-29 and was named to the NFL all-pro squad of the 1920s. He holds three NFL coaching records and four Bears coaching records. Halas' 324 coaching victories was broken in 1994 by Don Shula of the Miami Dolphins. Halas led the Bears to six world championships — his first and last separated by 42 years (1921 and 1963). (See page 188 for more on George S. Halas.)

1920s: George Halas founded pro football and the Decatur Staleys in 1920 and set membership at \$100 per club. The Staleys posted a 10-1-2 record in that inaugural season as each player earned \$1,900 for the season. The Bears won their first title the next season (1921) with a 9-1-1 mark and went on to post winning records in all but one season in the entire decade (1929; 4-9-2). The first major signing took place in 1925 when the Bears signed Red Grange to a contract. Halas then took Grange and the Bears on a coast-to-coast barnstorming tour in which the club played 16 games in nine weeks. The first game of that stretch was played before 36,000 at the team's home site. Wrigley Field.

1930s: Halas left the coaching ranks in 1930 and Ralph Jones led the club to a 24-10-7 record from 1930-32. The Bears won the 1932 championship before 11.198 fans at Chicago Stadium. The franchise lost \$18,000 that season and Sternaman sold his half of the club to Halas. The 1933 season marked Halas' return to coaching and the beginning of the "modern" National Football League. The Bears beat the Giants 23-21 in the NFL's first championship game that year. The Bears advanced to the NFL title game twice more in the 30's, but fell to the Giants in 1934 and the Redskins in 1937.

1940s: The decade began with another NFL title as the Bears buried the Washington Redskins. 73-0, as ten different players scored while Chicago unveiled the T-formation. Halas left for war duties in the middle of the 1942 season. The team continued winning, but lost the title game in Washington, 14-6. Luke Johnsos and Hunk Anderson co-coached the wartime Bears the next three seasons. In 1943, the Bears beat Washington 41-21 at Wrigley Field in the NFL title game. Halas returned in 1946 and the Bears won the title again — defeating the Giants, 24-14, before a NFL-record crowd of 58,346 in the Polo Grounds.

1950s: The Bears began the decade with a title run, but lost to the Rams in the 1950 Western Division title game, 24-14. Paddy Driscoll replaced Halas as coach in 1956 and the Bears lost to the Giants in the NFL Championship game at Yankee Stadium. Halas returned for his final stint as head coach in 1958.

NAMING THE BEARS

George Halas originally named the team the Decatur Staleys after A.E. Staley, a starch manufacturer and enthusiastic sports fan who sponsored a semi-pro team and commissioned Halas to organize the new squad.

One year later, trying to match the profitability of Chicago's baseball games, Staley asked Halas if he would take the team off Staley's hands and move it to Chicago for \$5,000, while keeping the name Staleys for another year. With the help of legendary baseball pioneer Bill Veeck and William Wrigley, Halas soon acquired a lease to play at Wrigley Field.

33333333

When Halas' obligation to Staley terminated in 1922, he considered re-naming the team the Chicago Cubs out of respect for Veeck and Wrigley who, according to Halas in his biography, "had been such a great help."

But, as Halas continued, "I noted football players are much bigger players than baseball players, so if baseball players are cubs, then football players must be bears!"

On January 28, 1922, the franchise was re-named the Chicago Bears.

The team colors have always been blue and orange after those of Halas' alma mater, the University of Illinois. Halas lettered in football, basketball, and baseball for the Fighting Illini, and is honored as one of U of I's most distinguished alumni in the Illini Union in Champaign-Urbana.

The Bears

1960s: The Bears won their final title under Halas in 1963, beating the NY Giants, 14-10, at Wrigley Field. A new era was signaled in 1965 when the club drafted Dick Butkus and Gale Sayers in the first round of the college draft. Sayers set a NFL record with 22 TDs as a rookie, including six in a single game against the 49ers. Prior to the 1968 season, Halas retired from coaching after 40 seasons and a 324-151-31 record.

Ed McCaskey was named team's vice-president and treasurer in 1967, a position he held for 17 years before being named Chairman of the Board in 1983 and eventually Chairman Emeritus in 1999. Ed spearheaded the club's civic activities for many years and attends NFL meetings. Among his many civic contributions on behalf of the Bears was guiding the Brian Piccolo Fund from its

inception in 1970 to 1987, raising millions of dollars for cancer research.

1970s: The Bears played their final season in Wrigley Field in 1970 before moving to Soldier Field. In the same year, Halas was elected president of the NFC as the NFL and AFL merged. In 1974, Jim Finks Joined the Bears as General Manager. Finks named Jack Pardee, the first non-Bear in such a position, as head coach replacing Abe Gibron. In 1975, the Bears moved their training camp to Lake Forest after spending 31 years in Rensselaer, Indiana; and Walter Payton was the club's first-round draft choice. After a 14-year hiatus the Bears returned to the playoffs in 1977, winning their final six games to finish 9-5. The Bears again made the playoffs in 1979 under head coach Neill Armstrong. Chicago lost in the opening round in both 1977 and 1979. The organization suffered a major loss at end of the decade when team president George "Mugs" Halas, Jr. died at 54. Mugs Joined the Bears front office in 1950, was named treasurer in 1953, and became president of the club in 1963. (See page 189 for more on "Mugs" Halas.)

1980s: Armstrong's tenure ended in 1982 and he was replaced by Dallas Cowboys' assistant Mike Ditka, a Bears tight end from 1961-66. In 1983, Jim Finks resigned and George Halas died at age 88. Michael McCaskey, the oldest son of Ed and Virginia McCaskey and the grandson of George

Halas, became the third president in club history.

McCaskey was a business school professor and operated a consulting company in Boston before joining the Bears. In his 15 seasons as club president, the Bears posted nine winning seasons, made three trips to the NFC title game and won Super Bowl XX. McCaskey has served stints on the Finance, Long Range Planning, Stadium, and NFL Properties Executive committees during his tenure.

The Bears returned to the NFL elite in 1984. They advanced to the NFC Championship game (losing to San Francisco) and Walter Payton broke Jim Brown's all-time NFL rushing record. The loss in the '84 title game set the stage for the 1985 season in which the Bears posted shutouts in both playoff games before ripping the Patriots. 46-10, in Super Bowl XX. The Bears won the NFC Central division each of the next three seasons, but could never get past the NFC title game.

Payton's jersey was retired following the '87 season.

1990s: The Bears made playoff appearances in 1990 and 1991. The 1992 season was marked by the retirement of Mike Singletary, the end of the Mike Ditka era and Kevin Butler becoming the club's all-time scoring leader. Dave Wannstedt was named the 11th coach in team history in 1993 and led the Bears to back-to-back winning seasons in 1994 and 1995. The uniform numbers of Dick Butkus (51) and Gale Sayers (40) were retired in 1994. The team moved into its new headquarters that a Hall at Conway Park, on March 3, 1997. The Bears became the first franchise in NFL history to win 600 games; number 600 was a 13-7 win over Tampa Bay at Soldier Field (11-23-97). On August 1, 1998, Mike Singletary became the 24th Bear inducted into the NFL Hall-of-Fame, the most of any franchise. Dick Jauron became the 12th head coach in Bears history on January 24, 1999. Two weeks later the Bears reshuffled the front office by naming Ted Phillips President and CEO, Michael McCaskey Chairman of the Board, and Ed McCaskey Chairman Emeritus. Chicago mourned the passing of legendary running back Walter Payton on November 1, 1999 as he lost his battle with a rare liver disease. The Bears named their indoor practice facility the "Walter Payton Center" in his honor the following spring.

CHICAGO BEARS FIGHT SONG

The Chicago Bears fight song, Bear Down, Chicago Bears, was introduced in 1941. Though Jerry Downs is listed as the composer, it actually is a pseudonym for Al Hoffman (who also wrote the words and music for the song If I Knew You Were Coming, I'd Have Baked a Cake).

Hoffman's words for the Bears' fight song:

Bear down, Chicago Bears, make every play clear the way to victory; Bear down, Chicago Bears, put up a fight with a might so fearlessly. We'll never forget the way you thrilled the nation with your T-formation. Bear down, Chicago Bears, and let them know why you're wearing the crown. You're the pride and joy of Illinois, Chicago Bears, bear down.

Management

TED PHILLIPS

President and CEO

Since assuming responsibility as the Chicago Bears President and Chief Executive Officer in early 1999, Ted Phillips has focused on restoring respectability to the team's proud tradition. In two short years he is well on his way, giving Bears fans reasons for excitement both on and off the field, highlighted by approval of a new stadium and hiring the team's first general manager in over 14 years.

Phillips played a prominent role in the City of Chicago's Lakefront Improvement Plan, featuring 17 acres of new parkland, an underground parking structure and a new stadium within the historic

confines of Soldier Field. The Bears organization has been working toward a stadium built specifically for football for over 40 years, beginning with team founder George Halas. Since assuming his current role, Phillips received approval from the State and City in November of 2000 and March of 2001. In order to ensure the great traditions of Chicago football remain at the new stadium, the new design includes tailgating areas, retaining the historic south wall, renewed access to the colonnades and plenty of surrounding parkland for enhanced pre- and postgame activities. The doors to the Bears' new home are scheduled to open in the Fall of 2003.

Over the 2001 offseason, Phillips gave the team new direction by restructuring the football operations with the hiring of Jerry Angelo, the Bears' first General Manager since Jerry Vainisi's departure after the 1986 season. Phillips decision to hire Angelo gives the team a veteran talent evaluator with 20 years of NFL experience including 14 within the NFC Central Division.

Phillips continues to emphasize the importance of fan relations and customer service, working to improve the team's website, expanding the club's special events and community relations efforts and enhancing the Bears game day experience. Prior to the 2000 season, he finalized plans with the Chicago Park District to install a temporary video board at Soldier Field, which will be featured for a second season in 2001. He also expanded the team's marketing and sales departments to provide enhanced revenues, better service and more creativity to local and national business partners.

A key member of the Bears front office since 1983, Phillips was named President and Chief Executive Officer on February 10, 1999. He is the fourth person to serve as president in the organization's storied 82-year history following Michael McCaskey, George "Mugs" Halas, Jr., and George S. Halas.

Phillips served as the Bears' Vice President of Operations for six seasons starting in 1993. His primary duties included negotiating player contracts and serving as the Bears' salary capologist, as well as handling league related marketing, financial and legal issues. He was also responsible for overseeing all departments within the organization, other than coaching and player personnel, and served as the club's chief financial officer. Phillips also has been the Bears' main liaison with the NFL office and the NFL Management Council.

Before becoming vice president of operations, Phillips served as the director of finance from 1987 to 1993, handling all player contract negotiations and overseeing the club's business operations. Phillips joined the Bears staff on September 28, 1983, as the team's controller, a position he held for four years.

Prior to joining the Bears, Phillips was employed as an auditor and tax accountant with the international accounting firm of Ernst & Whinney (now Ernst & Young), from 1979-83. He graduated from the University of Notre Dame in 1979 with a degree in business and accounting. Phillips earned his master's in marketing and management from the Kellogg Graduate School at Northwestern University in 1989.

Phillips was born June 27, 1957, in Oncida, N.Y., and grew up in Nashua, N.H. He and his wife, Katic, have three sons: Matthew (6). Max (4) and Frank (2).

Management

JERRY ANGELO

General Manager

Terry Angelo was handed the reins of the Chicago Bears football operations on June 12, 2001 as the team's first general manager since 1986 (Jerry Vainisi). Angelo brings 32 years of football experience to Chicago, including 20 as a NFL scout and 14 in the NFC Central Division. He will oversee the Bears entire football staff including football operations, personnel and coaches along with all decisions regarding the draft, free agency, trades and the salary cap.

Angelo accepted his current post after spending 14 years overseeing Tampa Bay's scouting department as

the Buccaneer's Director of Player Personnel. In Tampa, Angelo helped turn a team that averaged under five wins a season in its first 21 years of existence into a perennial playoff contender, as the Buccaneers averaged almost 10 wins over the last four years with three playoff berths and one NFC Championship appearance (1999). The Youngstown, Ohio, native was a key member in carrying out the philosophy of Tampa's rebuilding process. He contributed to drafting the likes of Pro Bowlers Tony Mayberry (1990). John Lynch (1993), Trent Dilfer (1994), Warren Sapp (1995), Derrick Brooks (1995), Mike Alstott (1996), Donnie Abraham (1996), Warrick Dunn (1997) and Martin Gramatica (1999). He also was a pivotal player in recruiting free agents Hardy Nickerson (1993), Jeff Christy (2000) and Randall McDaniel (2000), all of whom made trips to Hawaii donning a Bucs uniform. Overall, Angelo has had a hand in Tampa's 32 Pro Bowl appearances by 14 different players since 1989.

Prior to joining Tampa Bay in 1987, Angelo spent five seasons (1982-86) as a regional scout for the New York Giants, including their Super Bowl XXI campaign. In 1981 he spent one year in the Canadian Football League as the Calgary Stampeders linebackers coach. Angelo broke into the NFL as a scout for the Dallas Cowboys in 1980. After playing defensive tackle for three years (1968-70) at Miami of Ohio for coaches Bo Schembechler and Bill Mallory, Angelo graduated with a bachelor's degree in social sciences and a master's in secondary administration while working as a graduate assistant at the university in 1971. He went on to coach eight more years in the collegiate ranks beginning at Colorado State as a part-time defensive line coach (1972) and ending with a five-year stint as the d-line coach at Syracuse (1975-79). In 1973 and 1974, he served as the defensive line coach and recruiting coordinator for the University of Tampa before the Spartans cut the football program.

Jerry and his wife, Bernie, have two daughters, Leisa, who is married to Brad Rice, and Sutton.

DICK JAURON 3rd SEASON

lick Jauron navigated his young team through the NFL's toughest schedule in 2000 ending the season with five wins and a 4-4 mark over the final eight games. The Bears proved to be a dangerous foe over the second half of the year, beating two playoff bound opponents (Indianapolis and Tampa Bay) and knocking a third out of the playoffs in the season finale (Detroit). In Jauron's two seasons in Chicago, the Bears have defeated all of their divisional opponents at least once and the Bears second consecutive victory at Green Bay made Jauron the first coach in team history to win his first

two road contests against the Packers.

Jauron led the club to six wins in 1999 – the most by the Bears since 1996 – against a schedule which was the 8th most difficult in the NFL and included 14 games versus teams that finished .500 or better. Eleven of the Bears first 12 games were decided on the final drive including two overtime contests. Jauron's first edition also won road games at Green Bay and Minnesota – a feat last accomplished by the 1985 Bears. Jauron was named the 12th head coach in Chicago Bears history on January 24, 1999, following four seasons as defensive coordinator of the Jacksonville Jaguars. Jauron is a 25-year veteran of the NFL as a player and coach—including 16 years in the NFC Central Division—and played a major role in Jacksonville's rise from expansion team to division champion and Super Bowl contender. In his four seasons in Jacksonville, the Jaguars won 35 games and reached the playoffs three times including a trip to the AFC Championship game in 1996.

Head Coach

Prior to joining the Jaguars, Jauron spent nine seasons in Green Bay as the Packers' defensive backs coach. He worked under Forrest Gregg (1986-87), Lindy Infante (1988-91), and Mike Holmgren (1992-94). Jauron was on Green Bay's staff with Jacksonville head coach Tom Coughlin in 1986-87, and he is the fifth member of Holmgren's original staff to earn a NFL head coaching position. The others are Ray Rhodes (defensive coordinator, four years at Philadelphia, one year at Green Bay), Jon Gruden (wide receivers, Oakland), Steve Mariucci (quarterbacks, San Francisco), and Andy Reid (tight ends / quarterbacks, Philadelphia). Jauron's NFL coaching career began in 1985 with the Buffalo Bills, where he served one season as Hank Bullough's secondary coach.

In their first-ever season, the 1995 expansion Jaguars finished 21st in the NFL in total defense, including 24th against the rush and 17th against the pass. Jauron's 1996 Jaguars defense, which advanced to the AFC Championship game, finished 15th in total defense (19th and 16th versus the rush and pass, respectively). In 1997, the Jags were 23rd overall, 13th against the rush and 24th against the pass, Jacksonville was 25th overall in 1998; 22nd against the rush, 23rd against the pass. They finished tied for second in the AFC and tied for fifth in the league with a +10 turnover differential that season. The Jags were 7th in the conference and 13th in the NFL with 30 takeaways (3rd and 5th with 17 fumble recoveries) and finished 6th in the AFC and 11th in the NFL in third down defense, allowing a 36.5% conversion rate. In 1998, the Jaguars' red zone defense was among the league's leaders as well, with a 46.0% TD percentage, ranking 5th in the AFC and 9th in the league. They were tied for 12th in the NFL (5th in the AFC) with 32 touchdowns allowed by the defense.

NFL Player

Jauron was selected by the Detroit Lions in the fourth round of the 1973 NFL draft. He played in Detroit from 1973-77, and was a 1974 Pro Bowl selection. The Lions waived Jauron in early '78, but he signed with Cincinnati six days later and was a Bengal until 1980, when he suffered a career ending knee injury. He ended his playing career with 26 interceptions and two touchdowns—including seven thefts and one TD return against Chicago.

As a Lions' rookie, Jauron started at strong safety in a game against the Bears (11-18-73). He intercepted three Gary Huff passes on the afternoon—tied for the Bears opponents' individual record—including a 95-yard return for a touchdown, the fourth longest ever against Chicago, His 167 interception return yards are still a record for a Bears' opponent. Jauron had four more career interceptions against Chicago, including returns of 41, 26, and 28 yards, plus two fumble recoveries. His 103 punt return yards (three returns on 11-24-74) is the fifth-best Bears opponents individual total in team annals. He played nine games against Chicago, all as a Lion.

Personal

After retiring from the playing field, Jauron and a former teammate Jimmy Corbett opened a health and fitness center in Cincinnati. He sold the business in 1983 and spent two years working for Nautilus before beginning his coaching career.

Richard Manual Jauron was born on October 7, 1950, in Peoria, Illinois. Jauron lived two years in Peoria where his father, Bob, was head football coach at Manual High School. Dick's middle name comes as a result of his father's association with the school. He spent his childhood years in Rensselaer, Indiana where his father was head coach at St. Joseph's College, former site of the Bears summer training camp. Jauron attended Swampscott High School in suburban Boston and starred in football, basketball and baseball. He was drafted by the St. Louis Cardinals as a

Head Coach

shortstop and was an all-American in football, a running back/safety who led his team to two consecutive state championships. The Boston Globe named Jauron one of the top 10 prep athletes of the 20th century in the state of Massachusetts.

Jauron was a running back at Yale, where he earned a degree in history. He holds several school rushing records including consecutive 100-yard rushing games (16). Dick and his wife, Gail, have two daughters, Kacy (16) and Amy (14).

Assistant Coaches

GREG BLACHE

Defensive Coordinator

Greg Blache, a highly regarded 13-year coaching veteran in the NFL, begins his third season as the Bears defensive coordinator.

With seven new starters on defense in 2000, Blache molded his young crew into one of the top defensive units over the second half of the season. Over the final eight games, Blache's defense moved 11 spots to finish 16th overall in the NFL. His squad allowed 49 fewer points and 400 less net yards than the team had in the first eight games of 2000. Blache adds free agent tackles Ted Washington and Keith Traylor who provide size and experience to his defensive line in 2001.

In two seasons. Blache's defense has forced 53 turnovers, including 33 in 1999, the most by a Bears defense since 1990. Chicago's 2000 defense, led by NFL Defensive Rookie of the Year and Pro Bowler Brian Urlacher, had numerous big play contributors as 20 different players had a hand in at least one sack or turnover. The 2000 Bears also equaled a team record with four interceptions returned for touchdowns. The four scores off of picks were more than the combined total in the previous six seasons.

Prior to joining the Bears. Blache served as the Indianapolis Colts' defensive line coach for five seasons and held the same position for the Green Bay Packers for six years (1988-93) where he served on the staff with Dick Jauron. At Indianapolis, Blache served under Ted Marchibroda, Lindy Infante and Jim Mora and helped the Colts advance to the AFC title game in 1996. He coached several top pass rushers at Indianapolis including double-digit sackers Dan Footman and Tony Bennett along with tackle Ellis Johnson. His contributions didn't go unnoticed as Blache earned an interview for the vacant head coaching position in Indianapolis prior to the 1998 season.

Blache's coaching career began in 1968 as a defensive assistant at Notre Dame, where he had suffered a leg injury as a freshman that ended his playing career. Upon graduation in 1971, Blache stayed at Notre Dame for five seasons, one year as a grad assistant and four years as a full-time assistant. Blache then joined the Tulane staff in 1976, where he coached the offensive line (1976-77), outside linebackers (1978-79) and defensive backs (1980). He returned to Notre Dame to coach running backs (1981) and the defensive line and outside linebackers (1982-83). Blache then served one year as defensive coordinator with the USFL's Jacksonville Bulls in 1984-85, and had one-year experiences at Southern University (1986, defensive coordinator) and Kansas ('87, special teams coordinator) before landing in Green Bay starting in 1988.

Blache was a defensive back at Notre Dame before his injury, where he earned a bachelor's degree in sociology and a master's in secondary education. Born March 9, 1949, in New Orleans, Louisiana, Blache is married (Lynn) and has six children: Greg Jr., Jennifer, Christopher, Sarah, Corinne, and Matthew.

SURGING DEFENSE

Following a 1-7 start, Greg Blache's 2000 defensive unit jelled over the second half of the season to guide the team to a 4-4 record. Chicago's defense improved in a number of categories in the final eight weekends as seven new starters grew more comfortable in the system. The Bears were ranked 27th in total defense (28th vs. run, 19th vs. pass) after eight games but ended the year rated 16th overall (19th vs. run, 17th vs. pass).

JOHN SHOOP Offensive Coordinator

John Shoop was promoted as the Bears' offensive coordinator on Jan. 22, 2001 after joining the Bears' coaching staff on Feb. 5, 1999 as the squad's quarterbacks coach. Shoop will continue to work with the quarterbacks in addition to his game planning duties. He joined Chicago after serving four seasons with the Carolina Panthers.

Shoop took over playing-calling responsibilities in 2000 prior to Chicago's Week 15 matchup against New England. The Bears went on to win two of their final three contests under his offensive direction, as the running attack cracked the 100-yard barrier twice and the quarterbacks threw for three touchdowns with only one interception. Quarterback Shane

Matthews started both of the wins for the Bears, hitting 36 of 45 pass attempts for 362 yards and two touchdowns before breaking his right thumb near the end of the first half in the final game of the season at Detroit. Cade McNown took over in the second half and engineered two scoring drives for a come-from-behind win.

As quarterbacks coach, Shoop was instrumental in the Bears potent passing attack of 1999 and coached three different passers who threw for over 1,000 yards, a feat accomplished only one other time in NFL history (Miami Dolphins, 1993). Each of those three QBs (Cade McNown, Shane Matthews and Jim Miller) return for the 2001 season bolstered by an offensive draft that includes top pick wide receiver David Terrell and running back Anthony Thomas, the second-round selection. Free agent tight end Fred Baxter joins veteran weapons Marcus Robinson and Bobby Engram to enhance the passing game and 1,000-yard running back James Allen returns to lead Shoop's ground assault.

Shoop became just the second coach hired exclusively to tutor Bears QBs, following Sid Luckman.(Luckman was a Bears' assistant in 1954 and 1956-70).

A member of the Carolina Panthers for four seasons, Shoop served the last two as quarterbacks coach for head coach Dom Capers and offensive coordinator Gil Haskell. He spent his first two years in Charlotte as the Panthers' offensive quality control coach. The Panthers reached the NFC Championship game in 1996, losing to eventual Super Bowl champion Green Bay.

Shoop's coaching career began in 1991, when he was the QBs coach at Dartmouth College. He then spent three seasons as a graduate assistant at Vanderbilt (1992-94) before arriving in Charlotte to work with the expansion Panthers.

Shoop graduated from the University of the South in 1991, where he played quarterback for the Tigers for four years. He then carned a master's degree in education from Peabody College of Vanderbilt University.

Born August 1, 1969 in Pittsburgh, Shoop grew up in Oakmont, Pennsylvania. He and his wife, Marcia, have one son, Sidney.

Playing and coaching history-1987-90: Quarterback at University of the South. 1991: Dartmouth. 1992-94: Vanderbilt. 1995-98: Carolina Panthers. 1999-Present: Chicago Bears.

CRACKING THE CENTURY MARK

The Bears rushing attack produced 100 or more yards in 10 of 16 games during the 2000 season, including four of the final five contests. Chicago averaged 108.5 yards per game for the year, the team's highest numbers since the 1997 squad averaged 109.1 yards. The Bears broke the 140-yard barrier in four games; 178 at Green Bay (10/1), 153 at Minnesota (9/3), 147 versus Detroit (9/24) and 143 versus Indianapolis (11/5). Chicago broke the century mark in only six of 16 games during the 1999 season and collected over 140 yards only once, a 160-yard output at Green Bay (11/7/99).

VANCE BEDFORD

Defensive Backs

After coaching 13 years at the collegiate level, Vance Bedford enters his Hildred season with the Bears. He was named defensive backs coach on February 8, 1999 after spending the previous four seasons in the same capacity with the Michigan Wolverines. Only Tony Parrish returned to the same starting position in the secondary for 2000 as Bedford worked in newcomers Thomas Smith and Mike Brown along with a starting switch for Walt Harris. His secondary responded by equaling a Bear record with four interceptions returned for a touchdown in 2000. Brown (vs. New Orleans, 10/8), Harris (vs. Indianapolis, 11/5), Parrish (vs. Tampa Bay, 11/19) and R.W. McQuarters (at Detroit, 12/24) each put points on the board after picking off a pass.

At Michigan, Bedford's pass defense was among the nation's best, including #1 ranking in the nation in 1997 (133.8 yards-per-game and an NCAA record 8.8 yards-per-completion), and the NCAA's third best INT total of 22. Bedford was Charles Woodson's position coach when Woodson won the Heisman Trophy after the '97 season.

Bedford's coaching career began at Forestbrook High in Houston in 1985. He coached defensive backs for Oklahoma State (1993-94), Colorado State (1987-92), and Navarro Junior College (1986). His 1990 Rams secondary led the nation with 25 picks against WAC foes.

A native of Beaumont, Texas, Bedford played cornerback at Texas for four years (1977-79, '81). He set the Longhorn single season pass break-up record as a senior (22), while serving as a team captain. Bedford was Defensive MVP of the 1982 Senior Bowl before being selected in the 5th round of the 1982 NFL Draft by St. Louis. He played one season each for the Cardinals ('82) and the USFL's Oklahoma Outlaws ('84) before beginning his coaching career.

Bedford was born August 20, 1958 in Beaumont, Texas. He is married (Margaret).

ALL-TIME BEARS ROOKIE DEFENDERS

Mike Brown started all 16 games in 2000, recording 118 tackles and returning an interception for a touchdown. Brown's 118 tackles as a rookle placed him fifth all-time behind fellow safeties Mark Carrier and Doug Plank. Linebacker Brian Urlacher broke DE Wally Chambers' 1973 record of 134 tackles by a rookle by earning 165 tackles in 2000. Urlacher also recorded eight sacks while being named NFL Defensive Rookle of the Year by the Associated Press, Pro Football Weekly and Sports Illustrated.

A 10-year veteran of NFL coaching, Bob Wylle was named the Bears' offensive line coach on February 2, 1999. The Bears veteran offensive line developed into one of the top pass blocking units under Wylle – finishing sixth and 11th respectively over the past two years in sacks allowed among the 31 teams, and helped pave the way for James Allen to become the Bears first 1,000-yard rusher since 1997. Wylle has four of his five returning starters from a year ago including 2000 Pro Bowl alternate Olin Kreutz at center.

Wylie came to Chicago from Cincinnati, where he coached Bengal tight ends in 1997 and 1998, helping Cory Dillion to consecutive 1000-yard

DECEMBER ROAD WOES

The Bears' have struggled in December and January road games for over a decade. In the last 25 road contests in or after the month of December, Chicago has flown home as winners only three times, including last season's 23-20 win over Detroit which eliminated the Lions from a potential playoff berth. The record includes an 18-game losing streak from 1987 to 1997. The Bears snapped the 18-game losing streak on Sunday evening, December 14, 1997, with a win in St. Louis. The streak spanned nearly a decade, as it was their first road victory in the month of December since a 6-3 triumph over the LA Raiders at the Coliseum on December 27, 1987—Walter Payton's final regular season game. HALAS HALL

The Chicago Bears moved into Halas Hall at Conway Park on March 3, 1997. The 38-acre complex is located in Lake Forest on Route 60 just east of the Tri-State Tollway, approximately four miles from the former Halas Hall. The building is dedicated to Bears' founder, President and Coach George Halas. The original Halas Hall, on the Lake Forest College campus, was dedicated by Coach Halas in the name of his son, Mugs, in 1979.

The modern complex includes a 100,000 square foot office building, indoor practice facility, and 2 1/2 outdoor practice fields, surrounded by a jogging path. The remaining land will be unused, allowing the team flexibility for future expansion. One of the two 100-yard outdoor fields is equipped with 14 miles of underground heating tubes, enabling the grass to remain soft and growing into early winter, as well as five miles of drain tubing that can capture and disperse nine inches of rainfall per hour, and 2.5 miles of cooling pipes for the grass roots. The Walter Payton Center, an indoor facility, is a rigid structure, as opposed to the inflated "bubble" the team used from 1990-96, and includes a full 100-yard field, an all-purpose floor for basketball, and a racquetball court. The structure is 85 feet high, 200 feet wide, and 400 feet long-20 feet higher and 140 feet longer than the Bubble. Remote controlled video cameras film the action below for coaches' use.

The building sits on a wetlands site; the architect chose an open-feeling design with features reminiscent of Frank Lloyd Wright's work. Halas Hall itself covers just three acres of the property, while wetlands cover six. The east side cladding of the building is 83,000 linear feet of cedar, while the west side is constructed of precast panels. The panels were made by an architectural precasting firm that laid rough sawn cedar in the casting beds. When the panels dried, the cedar was stripped from the concrete, giving the panels their board-formed or wooden look.

The main building is almost two football fields long and 100 feet wide. The old Halas Hall had 32,000 square feet of space, while the new building has 100,000. In fact, the entire former Halas Hall would fit into the basement of the new building. Furthermore, the old locker-room was 1,400 square feet, while the new one is about 3,000, has 62 lockers with room to quickly expand to 100, and 4 natural light wells (allowing full lighting without electricity on sunny days). The weight room-perhaps the most spectacular aesthetic area of the complex- is 7,000 square feet, almost four times the size of the 1,800 square foot workout area at the old building. The glass wall on the east side of the weight room is 28 feet high, perfect for viewing the white-tailed deer on their evening romps across the complex grounds, A two-lane lap pool is behind the weight room, and its sixty foot lanes have built-in resistance currents. The training room is five times the size of its predecessor, and boasts a doctors' office, x-ray facility, medical records storeroom, casting room, whirlpool, cold-dip plunge, steam room, and sauna. The football needs are met with eight classrooms, two large meeting room/classroom, and a 150-seat auditorium capable of hosting seminars, television productions and football players.

TAKE YOUR PICK

Chicago equaled a team record with four interceptions returned for a touchdown in 2000, as defensive back **Mike Brown** (vs. NO, 10/8), **Walt Harris** (vs. Ind. 11/5), **Tony Parrish** (vs. TB, 11/19) and **R.W. McQuarters** (at Det. 12/24). The Bears also returned four interceptions for a score in 1985, 1963, 1950 and 1939. Chicago's defensive point production is impressive considering the 2000 team picked off only 11 passes, the second-lowest single-season total in team history.

Chicago's four touchdowns off interceptions in 2000 equalled the combined total in the previous six seasons. From 1994-99, only three Chicago players returned interceptions for a touchdown; Barry Minter in '99 and '95, Walt Harris in '98 and Donnell Woolford in '96.

RULES of INSTANT REPLAY

A "buzzer system" will be used to signal the call for a replay. Before the final two minutes, the head coach will buzz the referee and replay booth that he challenges a play and wants a review. Within the final two minutes and OT, the booth will buzz the ref. The head coaches will wear a belt pack containing a buzzer. When pressed, the buzzer will simultaneously signal the referee, umpire, and replay booth that a replay is being requested. If the buzzer is not working, the coach needs to throw a flag onto the field to signal his request for replay.

There will be three replay monitors at field level in open-air stadiums. Two will be positioned at opposite 20-yard lines near the sideline wall. A third will be in the runway, for use if the weather is inclement. Two monitors will be in domed stadiums.

COACHES CHALLENGE: Outside of the final two minutes of each half, each team will be permitted two challenges per game that will initiate referee reviews. Each challenge will cost a team a time-out. If a challenge is upheld, the time-out will be restored, but the challenge will not. No challenges will be recognized from a team that has exhausted its time-outs.

FINAL TWO MINUTES OF EACH HALF: After the two-minute warning of each half, and throughout any overtime period, any referee review will be initiated by the replay assistant in the replay booth in the press box. He can initiate as many review requests as he thinks necessary, no matter how many time-outs the teams have. No time-out will be charged for a review initiated from the replay booth.

REFEREE REVIEW: All replay reviews will be conducted by the referee on a field-level monitor after consultation with the other covering officials on the play. A decision will be reversed only when the referee has "indisputable visual evidence" that the call should be changed. The referee cannot initiate a replay review in any instance.

TIME LIMIT: Reviews will be a maximum of 90 seconds, timed from when the referee puts on the head phones to the replay booth,

<u>REVIEWABLE PLAYS</u>: The instant replay system will cover a variety of plays in three main areas—1) sideline, goal line, end zone, and end-line plays; 2) passing plays; and 3) other detectable infractions, such as a runner ruled down not by defensive contact, and the number of players on the field.

Since that game, the Bears have not been tackled in the endzone – a span of 196 regular season games (as well as seven playoff games). It's the longest such current streak in the NFL. NEARLY PERFECT

Shane Matthews put on a record-setting display of accuracy against New England (12/10/2000), completing 15 straight passes to establish a new team record. Matthews equaled the old mark of 14 straight, set by Steve Walsh at Minnesota on December 1, 1994, with a sixyard scoring pass to James Allen on the first play of the fourth quarter and broke the record on his next attempt. On Chicago's four scoring drives against the Patriots, the Florida alum was a perfect 17 of 17 passing for 178 yards and two touchdowns.

Matthews ended the game completing 22 of 27 passes for an 81.5 percent completion rate, just a few points shy of third place on the Bears single-game rankings (three players at 83.3 percent). Of the five Bears players to hit on better than 83 percent of their passes in a single game, none of them attempted more than 18 passes (Ed Brown, 15-18 at Det, 11/20/55). Matthews quarterback rating of 128.2 marked the best single-game performance of his career, bettering his previous high of 124.1 set in his lone appearance as a Bear in 1996.

Chicago strong safety **Tony Parrish** continued his impressive play in his third season in the Windy City, collecting more than 100 tackles for the third straight year. He ranked fourth on the team with 101 stops while adding five tackles-for-loss, two forced fumbles and eight passes defended. Parrish also led the team with three interceptions, after picking off only two passes in his first two NFL seasons, and corralled a pair of sacks after nabbing just one from 1998-99. The Washington alum led the team in tackles on two occasions while recording 10 or more tackles twice, including equaling a career best with 14 stops against the New York Giants (9/17). Parrish was also one of four Bears to return an interception for a touchdown, sprinting 38 yards for his first NFL score against Tampa Bay (11/19).

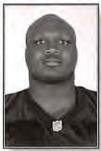

Parrish is the only Chicago Bear since 1980 to record 100 or more tackles in his first three seasons. The 1998 second-round pick collected 111 tackles as a rookie before setting his career high with 124 stops in 1999. In addition, Parrish is the first Chicago defender since Hall of Fame linebacker Mike Singletary to rank among the top four Bears in tackles in each of his first three seasons. Singletary rated fourth on the squad as a rookie in 1981 (72 tackles), third in 1982 (71) and topped the team in 1983 (148). Parrish finished third as a rookie, second in 1999 and fourth in 2000.

FORMULA for QB RATING

"Quarterback Rating" is the most complicated of the NFL's official statistics. The formula uses five factors: attempts, completions, gross yardage, touchdowns and interceptions. It was designed so that a score of 100 would be great with 90 being very good, 80 being good — similar to an A-B-C grading scale.

Here's the formula which works when entered into Microsoft Excel. Be careful, there are 196 characters which must be typed <u>perfectly</u>, without any spaces, in order for everything to calculate correctly:

A1 = ATTEMPTS; B1 = COMPLETIONS; C1 = GROSS YARDS; D1 = TOUCHDOWNS; E1 = INTERCEPTIONS

INSTANT REPLAY'S PLAYERS

The new instant replay system reinstated in 1999 uses digital computer technology, not video tape as was employed from 1986-91. The new system affords quicker access to replays. The system is initiated by challenges from the head coaches (two per game) in all but the final two minutes of each half, and by the replay official in the booth in the final two minutes and overtime. The booth will operate under a "two-minute" mode the entire game, lining up replays of every play in case a challenge is issued.

The four individuals in the replay booth will be the "replay assistant," "technician," "video operator," and "communicator." The replay assistant is the direct and only link to the referee on the field. In the final two minutes of each half and overtime, he will make the decision on whether a play should be reviewed. The replay assistant and video operator will be assigned as a team to a different game location each week.

The system begins with a "live feed" from the network television control truck covering the game.

The <u>technician</u> controls the monitor, cuing the live play and replay screens during action. His monitor can accommodate six replay angles of a single play.

The <u>replay assistant</u> decides which replays will be relayed to the field monitor and whether an official's time out be called for a review in the final two minutes of a half or overtime. Replay assistants will have an NFL or college football officiating background.

The <u>video operator</u>, at the instruction of the replay assistant, controls which replays that the on-field referee will view. He can control the speed of the digital video playback.

The <u>communicator</u> is the replay booth's "eyes to the field." While the technician, replay assistant, and video operator are doing their jobs, the communicator is stationed in back of the other three, watching the field. He will advise the replay assistant—who is busy viewing the monitor—that "they're in the huddle," "they're at the line," "the ball is snapped" so the replay assistant will know that the next play has started, negating the possibility of a replay. He will also report to the replay assistant if an official ruling (e.g., holding, illegal procedure, etc.) has been made on the field, eliminating the need for a replay. He is also the timer of the 90 seconds allocated to the referee to make a decision on a replay. Once 90 seconds are reached, the communicator will push a button that shuts down the on-field monitor, signaling to the ref that 90 seconds are expired and the referee's decision must be announced.

STRENGTH OF SCHEDULE

For the second time in four seasons, the Bears faced the toughest schedule in the League. After fighting through the toughest schedule in 1997 (.553), Chicago ranked second in 1998 (.549) and eighth in 1999 (.543). Chicago's 2000 opponents finished with a .582 (149-107) winning percentage. The Bears played only two teams that ended the year below .500 (New England and San Francisco) and six made the playoffs.

For the third time in the past six seasons the Chicago Bears will open its regular season against the defending Super Bowl champions. The Bears will open the 2001 season against the Baltimore Ravens at PSINet Stadium in Baltimore on Sunday, Sept. 9 at noon. The last two times Chicago opened the season against the defending Super Bowl champion was in 1996 when the hosts pulled out a 22-6 win over Dallas and in 1997 when the Bears dropped a 38-24 decision to the Green Bay Packers at Lambeau Field.

After playing the toughest schedule in the NFL in 2000 based on opponent winning percentage, the Bears schedule this season features games against just three teams that appeared in the playoffs last year. Only five of the Bears games in 2001 are against 2000 playoff teams (Tampa Bay and Minnesota two times each and Baltimore).

The Bears have been involved in 186 shutouts in their 81-year history. Chicago won 113 of the shutouts and lost 56, while 17 of the blankings resulted in a 0-0 tie (all before 1933). After closing the '80s with a 26-0 loss in San Francisco, the Bears had scored in 166 consecutive games (including 5 in the playoffs) before getting blanked by the Bucs on Sept. 10. There were two shutouts during the 2000 season.

BEARS ROOKIE SACKS

With a team-best eight sacks in 2000, **Brian Urlacher** established a new Bears rookie record for sacks in a season while becoming just the second first-year player in team history to top the team in that category. The previous rookie high was five sacks set by William Perry in 1985 and equaled by Trace Armstrong in 1989. Defensive tackle Wally Chambers was unofficially credited with nine sacks in 1973. The only other rookie to lead the Bears was Jim Osborne, who topped the team with five sacks in 1972.

KICKOFF WEEKEND WINS

The Bears own 47 opening day victories overall, more than any NFL franchise. The Dallas Cowboys are 30-10-1 on opening day and their .732 opening day winning percentage is tops in league history. The two teams squared off on Kickoff Weekend in 1996 and the Bears beat the Cowboys 22-6 on Monday Night Football at Soldier Field.

Chicago lost its season opener in 2000, dropping a 30-27 decision to the Minnesota Vikings in Minneapolis. The Bears have opened at Soldier Field in 26 of the last 31 years, boasting a 19-7 record. Chicago opens the regular season on the road in 2001 for the second consecutive season and for only the third time in the last 18 years. The Bears travel to Baltimore for a non-conference showdown against the Super Bowl champion Ravens on September 9, 2001. Chicago is 0-4 in road openers since 1970 when it defeated the Glants in New York, 24-16.

THE NEXT WAVE

Five of Chicago's top six tacklers on special teams were all in their first or second season with the Bears in 2000. Frankie Smith led the way for the first time in his three-year Chicago tenure with 16 stops. The next five players in the rankins were newcomers, topped by a pair of players with 14 tackles; Ray McElroy, despite not joining the team until Week Four, and second-year linebacker Khari Samuel. The remaining three were all drafted over the past two seasons in Dustin Lyman (10), Mike Brown (9) and Warrick Holdman (9).

RETURN TO SENDER

Bears return man Glyn Milburn ranked eighth in the NFC in both kick and punt returns in 2000. The 1999 Pro Bowler became the Bears' all-time career leader in kickoff return yardage and has amassed 4,444 yards in three seasons. He ranks fourth on the Bears' career punt returns list averaging 312 yards a season over the past three years. If he maintains his average in 2001 he would move ahead of Dennis McKinnon into second place all-time. George McAfee tops the list with 1,431 career return yards.

Bears Historical Highlights

- 1920s -

- 9/17/20—George Halas, representing the Decatur Staleys, meets with representatives of 11 other clubs at Ralph Hay's Hupmobile showroom in Canton, Ohio, forming the American Professional Football Association which later became the NFL. Membership is set at \$100.
- 1920—The Staleys shutout 10 of their 13 foes, losing only to the Chicago Cardinals (7-6 at Normal Park), and post a 10-1-2 record. Each player is paid \$1,900 for the season.
- 1921—Decatur Staleys become Chicago Staleys, play in Wrigley Field, and win the APFA title with 9-1-1 record. A. E. Staley gives Halas the club with \$5,000 to keep the Staleys name for the year. Halas makes Dutch Sternaman his partner.
- 1/28/22-Franchise renamed Chicago Bears.
- 11/27/22—First Chicago player deal: Bears buy tackle Ed Healey's contract from the Rock Island Independents for \$100—twice the going rate for a franchise that season.
- 11/22/25—Harold "Red" Grange signs with Bears and pro football leaves its cradle. His agent C.C. (Cash & Carry) Pyle negotiates a \$100,000 deal with the Bears.
- 11/26/25—Halas takes the Bears and Grange on a coast-to-coast tour that sees the club play 16 games from Nov. 26 through Jan. 31 interrupted only by a two-week rest. The Bears post a 11-4-1 record on the trip.
- 11/26/25—Grange's first game—36,000 see Bears and Cardinals go 0-0 in Wrigley Field with Grange held to 36 yards.
- 1/16/26—Grange gets two TDs as the Bears impress 75,000 in the LA Collseum beating the LA Tigers 17-7.
- 3/1/26-Bears open offices at 111 W. Washington.

- 1930s -

- 1930—After a 4-8-2 1929 season, George Halas replaces himself as head coach with Ralph Jones. Jones posts a 24-10-7 record during his three seasons.
- 12/15/30—Bears and Cardinals play football's first indoor game on an 80-yard field in Chicago Stadium. The exhibition aids unemployment; Bears win 9-7 before 10,000 fans.
- 11/15/31—New Yorkers (including Gov. Alfred E. Smith and Mayor Jimmy Walker) in field boxes at \$100 a seat watch Bears top Giants at Polo Grounds 12-6.

- 12/18/32—Bronko Nagurski hits Red Grange with a two-yard TD pass and the Bears top the Portsmouth Spartans 9-0 for the NFL championship. The game was played before 11,198, indoors at Chicago Stadium on an 80-yard field.

GEORGE S. HALAS February 2, 1895 – October 31, 1983

Leading the Chicago Bears for more than a half-century, George S. Halas, the team's founder and head coach for 40 years, was one of the most enduring personalities in sports history. Halas was active with the Bears starting in 1920 when he founded the team.

Halas was born and raised on Chicago's west side and prepped at Crane Tech High School before attending the University of Illinois. In Champaign, he earned a B.S. degree while lettering in football, basketball, and baseball.

After graduation in 1918, Halas joined the Navy for the first of two tours of duty. He was named Player of the Game in the 1919 Rose Bowl, playing end on the Great Lakes team that beat the Marines 17-0. A commander when he left active duty in 1946, Halas retired as a captain in the Naval Reserve, He was also awarded the Distinguished Citizens Award—the highest honor the Navy can bestow on a civilian.

After leaving the Navy, Halas played right field for the New York Yankees, but a hip injury shortened his baseball career. Halas went to work for a Decatur (IL) corn products firm owned by an enthusiastic sports fan. Mr. A.E. Staley, who sponsored a semi-pro baseball team, and later commissioned Halas to organize an independent football team.

PRO CAREER: As a player, Halas set an NFL record (which stood 49 years until 1972) when he took a Jim Thorpe tumble 98 yards for a TD in a 26-0 win over the Oorang Indians at Wrigley Field (11/4/23). He played end for the Bears from 1920-29 and was named to the NFL all-pro squad of the 20s.

PRO COACHING CAREER: Four times Halas interrupted his coaching activities by his own volition. He first turned over the leadership to Ralph Jones from 1930 through 1932. In 1942 when he left for the Navy, Luke Johnsos and "Hunk" Anderson shared head coaching responsibilities until '45. John "Paddy" Driscoll coached in 1956-57. Coincidentally, in '33 and again in '46 when Halas resumed coaching, his Bears won world championships.

During the 1940s, his teams reached the height of their power with four straight Western Conference titles; three world championships; a fantastic four-season record (including pre-season games) of 62-7-1 (.899); scored 2,164 points and allowed just 842. The 1940 team, which defeated the Washington Redskins 73-0 for the World Championship, was voted the greatest professional team of all-time by the National Academy of Sports Editors in 1963.

Resuming coaching in 1958, Halas needed five years to develop another championship, but in 1963 the Bears won their eighth championship. The Sporting News, AP, and UPI named him Coach of the Year after the 1963 and 1965 seasons. Halas retired from coaching on May 27, 1968, with a career record of 324-151-31. His win total was the best in NFL history until Don Shula broke the mark on 11/14/93. Halas is a charter member of the Pro Football Hall of Fame.

GEORGE S. HALAS, JR.

September 4, 1925 - December 16, 1979

"Mugs" Halas was an integral part of the Chicago Bears before his untimely death in 1979. The son of pro football founder George S. Halas, Mugs spent 30 years in pro football. He joined the Bears' front office in 1950, was named treasurer in 1953, and became president of the club in 1963. In his first season as president, the Bears were NFL champions. Mugs was the second of just four presidents in the franchise's 80-year history. He succeeded his father, George S.

Halas, and was followed by Michael McCaskey and current president Ted Phillips. His numerous contributions on a league-level included membership on the executive committee of the NFL Management Council.

"Mugs" learned football at a young age, serving as a ball boy while growing up. He earned a business degree from Loyola in 1949, before entering pro football on a full-time basis. "Mugs" is remembered for his love and devotion to the game.

each conference advanced to the post-season. However, with a 5-3-1 mark, Green Bay had
the best record.

BRRRRRRR

Chicago has a reputation for its brisk lakefront weather, and both Wrigley Field and Soldier Field have hosted at least a few knee-knocking games. However, the NFL Record & Fact Book lists the four coldest NFL games on record, none of which were in Chicago. The four coldest:

- -13 degrees (-48 wind chill): 12-31-67, Lambeau Field, Green Bay; NFL Championship Game (Packers 21, Cowboys 7).
- -9 degrees (-59 wind chill): 1-10-82, Riverfront Stadium, Cincinnati; AFC Championship (Bengals 27, Chargers 7).
- O degrees (-32 wind chill): 1-15-94, Rich Stadium, Orchard Park, NY; AFC Divisional Playoff (Bills 29, LA Raiders 23).
- 1 degree (wind chill not recorded): 1-4-81, Cleveland Stadium; AFC Divisional Playoff (Oakland Raiders 14, Browns 12).

Here are the temperatures for a few famed inclement weather games in the Windy City:

- 54 degrees (Rain, fog, S wind 15 mph): Sayers 6 TD game, 12-12-65, Wrigley Field (Bears 61, 49ers 20)
- 39 degrees (W wind 23 mph): NFC Championship, 1-12-86, Soldier Field (Bears 24, LA Rams 0)

40 RUSHES vs. 40 PASSES

Over the past 18 seasons when the Bears have rushed 40 times, they have a **55-2 record**. Chicago has won 39 straight 40-rush games dating back to 1984. Chicago has not rushed 40 times in a single game since 1998 — 41 rushes for 148 yards in a 23-20 win at Tennessee (10-25-98). The Bears were 2-0 in 1997 when rushing 40 times, and did not have 40 rushing attempts in any game in '96; they carried 47 times in beating playoff-bound Philadelphia in the 1995 season finale.

During the same 18-season period, the Bears are 8-30 when throwing 40 passes in one game. Last season, the Bears threw 40 or more passes in three games, losing all three contests. Shane Matthews and Cade McNown both produced a single 40-attempt game in 2000 for Chicago while McNown and Jim Miller combined for over 40 attempts in one contest. The Bears cracked the 40-attempt barrier in 10 of 16 games in 1999, going 3-7 in the process. The team finished with an 0-2 record in 1998 when throwing 40 times, had a 1-4 record in 1997 and was 0-4 in '96.

NFL EUROPE LEAGUE

The Bears allocated five players to squads in the NFL Europe League for the spring '01 campaign. Chicago's overseas assignees include Brian Edwards (Frankfurt), Todd McMillon (Frankfurt), Ahmad Merritt (Berlin), Brad Williams (Amsterdam) and Gerald Williams (Scotland). NFL teams receive roster exemptions by allocating players to the NFL-run league, and the Bears are therefore allowed to take more than the normal 80 players to training camp in the summer of 2001.

In the spring of 1998, wide receiver Marcus Robinson was honored as NFL Europe's Offensive MVP after leading the league in receiving with 811 yards on 39 receptions. His efforts helped the Rhein Fire capture the World Bowl Championship.

The Bears are one of only eight NFL teams to have defeated each of the other 30 NFL franchises. Oakland is the latest to join the club, defeating Carolina 52-9 in Oakland last season.

Denver was the first to defeat all 30 teams since Baltimore joined in 1997. Buffalo, Green Bay, Minnesota, Pittsburgh and St. Louis also have defeated every team in the NFL.

In 1995, the inaugural season for Jacksonville and Carolina, the Bears were one of just four teams to play both expansion teams. The Jets and Indianapolis split their games, while both the Bears and Tampa Bay defeated the Jaguars and Panthers that season. 2001 BEARS' DRAFTEES

MAIZE...: David Terrell is the fifth player out of Michigan selected by Chicago in the first round, which pulls the Wolverines into a tie with Texas for schools producing first-round Bears. Four other Wolverines were Chicago first-round draft picks since 1936, they are: Tom Harmon (HB, 1st selection, 1941), Don Lund (HB, 7th, 1945), Dave Gallagher (DE, 20th, 1974) and Jim Harbaugh (QB, 26th, 1987).

...AND BLUE: With the selection of Anthony Thomas of Michigan in the second round, the Bears selected teammates with their first two picks of the draft for only the third time in team history. In 1948 Chicago selected quarterback Bobby Layne and end Max Bumgardner of Texas in the first round and in 1971 choose Missouri runningbacks Joe Moore in the first round and Jim Harrison in the second round.

SAY WHAT?: The Bears' fourth-round selection, defensive end Karon Riley of Minnesota, speaks fluent Chinese. The 6-2, 251 pound pass rushing specialist took the language elective at his mother's request. He took four years of Chinese in high school and two more at the University of Minnesota to improve his overseas business skills.

SCHOOL CONTRIBUTIONS: With Mike Gandy's selection in the third round, Chicago has now drafted 41 former Irish in the NFL Draft, the most selections the Bears have used on any school. Michigan moved up two spots after using the first two picks of the draft on Wolverines. The Bears have now drafted 19 players who formerly wore the maize and blue in Ann Arbor. Ohio State is second on the list (28), followed by Texas (24), Stanford (23), Oklahoma and Northwestern (21) while Michigan moves into a seventh-place tie with the University of Illinois with 19. The University of Minnesota has now contributed 14 former Golden Gophers to the Bears with the addition of Karon Riley. The last time the Bears selected a Minnesota player was in 1960 when Billy Martin was selected in the fourth round. Tulane has had seven players drafted by Chicago (including Bernard Robertson). The last time a TU player was selected by the Bears was Bill Kellum in the 19th round in 1962.

This is a list of the jersey numbers and the players who wore them in the regular season (not pre-season or training camp!). The Bears are trying to update this to represent the years they wore the number (as opposed to the years they played with the Bears). If you have information, please write to: Bears PR. 1000 Football Drive, Lake Forest, IL Special thanks to Dallas Himm and Bob Wolf who helped compile this list.

Each of the above players spent time on the Bears' practice squad (or "developmental squad," as it was termed in 1989). **Bold players were on Bears training camp roster.*** Indicates player was signed to active roster, and <u>played</u> in a game.

- The following current Bears spent time on other teams' practice squads: James Allen (Phi), Alfonso Boone (Det), Fred Coleman (NYJ), Brian Edwards (Buf), Robert Newkirk (Dal), Carl Powell (Bal), Kaseem Sinceno (Phi), Frankie Smith (Mia) and Al Wallace (Phi).
- A player on the practice squad is not "protected". However, for another team to sign a practice
 squad player, that team must put the player on their <u>active</u> roster. The Bears have signed
 two players to their active roster off other teams' practice squads: James Allen (Phil, 1997)
 and Alfonso Boone (Det, 2000).

INTERNATIONAL GAMES

S 12 Denver Broncos

The Bears were participants in the NFL's first overseas game when they met the Cowboys in London in 1986. Since that contest, the American Bowl has expanded to many international sites including Tokyo, Barcelona, Montreal, Sydney and Mexico City. Four summers ago, the Bears' fourth trip abroad took them to Dublin, Ireland's Croke Park on July 27, 1997, to face the Pittsburgh Steelers.

WRIGLEY RECORD

The Bears' all-time record at Wrigley Field stands at 221-89-22, a total of 332 games, 330 as the home team. (Two of those victories came with the Bears as the "road" team: twice in 1920 against the Chicago Tigers). The 330 Bears' home games at Wrigley Field appears to be a National Football League record, though unofficial. The Bears-Wrigley connection edges out Cleveland's Municipal Stadium as host for 324 home games of the Cleveland Browns, from 1950 through 1995. As the reincarnation of the Cleveland Browns play in a new stadium since their return in 1999, the Bears-Wrigley "record" appears safe.

In fact, Wrigley Field has hosted a total of **342 NFL games**: 330 Bears home games, five home games of the Chicago Tigers in 1920, and seven home games of the Chicago Cardinals in 1931 and 1932. Besides the Browns' 324 home games at Cleveland's Municipal Stadium, the Cleveland Indians played two home games there in 1931, and the Cleveland Rams played sixteen home contests in 1937 and 1939-1941. Municipal Stadium appears to have hosted a total of 342 total NFL games-same as Wrigley Field.

The Bears' record at Soldier Field stands at 140-99-1. The Bears have also played home games at Decatur (1921, victory over Rock Island); DePaul (1925, victory over Hammond); Mills (1930, tie versus Brooklyn); Loyola (1931, victory over Cleveland); Chicago Stadium (1932, victory over Portsmouth); and Dyche Stadium (1970, victory over Philadelphia).

Soldier Field

The Chicago Bears enter their 31st year at Soldier Field after playing their first 50 seasons in Chicago at Wrigley Field. Soldier Field was opened in 1924 as a 45,000-seat Municipal Grant Park Stadium. The first football game played on its field was November 22, 1924, as a capacity crowd watched Notre Dame edge Northwestern, 13-6.

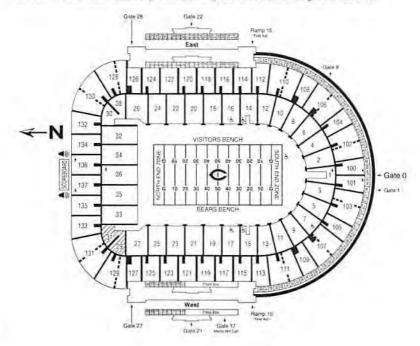

It hosted the first boxing event which drew a gate of over \$2.5 million (Dempsey-Tunney, 1927), the first ski meet held in a stadium, and the all-time largest football crowd (123,000). The largest crowd for any event in Soldier Field was 260,000 on Sept. 8, 1954, for the religious Marian Year Tribute.

The 100,000-seat stadium was dedicated November 27, 1926, with Army battling Navy to a 21-21 tie. The all-time collegiate attendance record of 123,000 plus was established Nov. 26, 1927 as Notre Dame beat Southern Cal 7-6. In the first professional game at the then-mammoth stadium, the Bears defeated the Chicago Cardinals 10-0 on November 11, 1926.

Plans for the stadium started in 1919 as a memorial to the soldiers of WWI. Soldier Field stands on 10,000 pile foundations driving an average depth of 62.5 feet through fill that replaced the lake waters. The stadium is maintained and operated by the Chicago Park District.

Other stadium notes since the Bears moved to Soldier Field:

- 1971 September 19th, Chicago defeats the Pittsburgh Steelers 17-15 before capacity crowd of 55,701 in the Bears' first game since moving from Wrigley.
- 1979 The stadium undergoes major reconstruction and renovation prior to the season including new lighting, playing surface, and locker rooms; rebuilding of seating area (new chairbacks, armrests, seats); and improvement of sightlines.
- 1982 Additional rebuilding of seating areas was completed as well as new concourses with more restrooms and concession areas. A new press box, 60 deluxe skyboxes, and a new scoreboard were also built. Capacity is increased to 66,030.
- 1988 Surface was changed from artificial turf to natural grass, and 56 skyboxes were added along south rim (increasing the total to 116). Capacity is increased to 66,946.
- 1992 Four seats are added increasing the capacity to 66,950.
- 1994 The Park District spends millions to refurbish the stadium for the World Cup soccer tournament. Capacity is reduced by six to the current figure of 66,944.

2001 -

The Chicago Bears have not beaten every team in their division in the same year since 1991. Last year, Chicago defeated three of its NFC Central rivals, but were unable to defeat the Minnesota Vikings. The Bears split a pair of games with the Buccanears last season, snapping a six-game Buccaneer win streak in the series. Chicago finished the 2000 season with a 3-5 division record.

ALL TIED UP

The Bears have had 42 ties in their 81-year history. However, their last knotted game was a 13-13 final against the Rams on September 24, 1972 — 442 games ago. The Bears' streak is the fifth-longest current ticless streak, as well as the fifth longest in NFL history. New England (493 games) has the longest current streak and longest in league annals, followed by Cincinnati (461), Dallas (459), and Tennessee (439).

Since 1974, when sudden death overtime was introduced, there have been just 15 ties in the entire NFL —none by the Bears. The Bears hold the distinction of having played in the most overtime games (24) without a tie.

Before the '97 season, the last tie in the NFL was a 10-10 contest between Kansas City and Cleveland on November 19, 1989. The league played 1,836 games after the Chiefs-Browns clash, (including 109 advancing to overtime), without another tie...until November 16, 1997, when the Ravens and Eagles finished a game knotted 10-10. The NFL didn't have to wait long before getting tied up again: the Redskins and Giants ended in a 7-7 deadlock the following week (November 23, 1997). There were no ties last season.

TICKET INFORMATION and BEARS SHARE

TICKET OFFICE – The Bears ticket office is located on the first floor of Halas Hall. Single game tickets are sold through the mail beginning June 1 of each year. After the mail order sale concludes, individual game tickets are available at the ticket office, or by calling TicketMaster at (312) 559-1212.

The Bears Ticket Office telephone number is (847) 615-BEAR (2327).

BEARS SHARE – In 1993, the Bears created Bears Share, a ticket donation program benefiting 10 area charities. Thousands of tickets have been distributed to local charities since the program's inception. The idea is simple: if a season ticket subscriber cannot attend a game, he or she donates those tickets to the chosen charity for that particular game. The charity either arranges for a responsible adult to escort one of their program participants to the Bears game, or re-sells the tickets at face value. The donating season ticket subscriber will not only help a worthwhile charity, but will also receive a tax deduction. Donating the tickets is as easy as mailing a letter. Mail each game's tickets to the corresponding charity and the charity will do the rest. For more information, check the Bears webpage at www.chicagobears.com or call the Bears ticket office at (847) 615-2327.

Bears Care

The Chicago Bears have a long-standing tradition of supporting numerous charities and assisting those in need. In order to increase our effectiveness in helping those less fortunate, the Chicago Bears formalized its charitable organization through the creation of Bears Care, a fund of the Robert R. McCormick Tribune Foundation. One of the exciting things about Bears Care is that through our partnership with the Robert R. McCormick Tribune Foundation, the McCormick Tribune Foundation matches 50% of the net proceeds raised by Bears Care and reimburses many expenses. This allows the Chicago Bears and Bears Care to answer even more of the needs that are presented to us by the community.

Bears Care supports programs designed to positively impact people in the areas of education, youth and families, athleties, entrepreneurship and health with a particular emphasis on programs aimed at disadvantaged youth. The fund will also consider programs devoted to physically-challenged individuals and programs that promote healthy, drug-free lifestyles.

If you would like to make a contribution to Bears Care, please send a check payable to Bears Care

to 1000 Football Drive, Lake Forest, IL 60045.

BEARS CARE FUNDRAISING EVENTS

31ST ANNUAL CANCER BENEFIT SPONSORED BY LOU MALNATI'S AND THE CHICAGO BEAR WIVES

This fun family event is held at the Lou Malnati's Pizzeria in Buffalo Grove, 85 South Buffalo Grove Road, Buffalo Grove, IL and supports such charities as the cancer programs at Northwestern Memorial Hospital, Children's Memorial Hospital and Gilda's Club. Admission is \$100 per person (850 for children under 12) and includes the chance to win a trip to the Super Bowl for two (\$84.00 tax deductible). For more details, call \$47/562-1814.

Those attending last year's fun and successful event had a chance to meet and mingle with Chicago Bears players and their families in a casual setting. Bears players signed autographs and guests had an opportunity to bid on many valuable pieces of sports memorabilia in the silent auction. Mainati's provided their terrific pizzas and pastas and a great time was had by all! Last year's benefit raised \$100,000 and will be matched by 50% through Bears Care's partnership with the McCormick Tribune Foundation.

ORGAN DONOR AWARENESS YOUTH FOR LIFE: REMEMBERING WALTER PAYTON

The Chicago Bears and Bears Care have been strong supporters of organ donor awareness programs in honor of legendary former Bear Walter Payton, who lost his fight to cholangial cancer. The Chicago Bears instituted an organ donor program at the 1999 Chicago Bears Fan Convention. Over 700 people signed on as donors, along with Virginia McCaskey and Secretary of State Jesse White. This was the largest single sign up in the history of the Illinois Organ Donor Program. In support of Walter Payton, Bears Care made a grant to the Regional Organ Bank of Illinois (ROBI) in the amount of \$50,000. Together with a \$50,000 donation from the Chicago Bears, ROBI received \$100,000 to promote organ donor awareness. Bears Care also made grants to the National Kidney Foundation of Illinois, the American Liver Foundation and the American Transplant Association to promote organ donor awareness and provide education and support to those waiting for a transplant and their families.

Bears Care, in collaboration with NFL charities and Senator Dick Durbin, is now launching an exciting new national organ donor awareness program — Youth For Life: Remembering Walter Payton. This program encourages young people across the country to sign on as organ donors when they receive their first driver's license. We also hope to promote safer driving among teenagers since that is a major cause of fatalities for people in that age group. Youth For Life: Remembering Walter Payton will kick off on Tuesday, October 9th. Players from NFL teams across the country will visit schools to "trade an autograph for an autograph" and sign the back of a student's driver's license

2002 BEARS CARE GALA

The 2002 Bears Care Gala, "Brian's Song...So That Others May Live to Sing," will be held on Friday, May 10, 2002 at the beautiful Chicago Ritz-Carlton. Proceeds from this elegant, black-tie evening will again support breast and ovarian cancer research and treatment programs at Rush-Presbyterian St. Luke's Medical Center, Cook County Hospital and Northwestern Memorial. One highlight of the Gala is the outstanding raffle. Included among the many fabulous prizes are a trip for two to the 2003 Super Bowl in San Diego, \$5,000 cash, and the ultimate dream trip for a die-hard fan – the opportunity to travel to an away game with the Bears on their team charter and accommodations at the team hotel.

when they sign on as an organ donor. On October 7, 1984, Walter Payton rushed for 154 yards breaking Jim Brown's career rushing record of 12,312 yards. We would like to celebrate the life of this legendary man by breaking a record of our own -- the number of organ donors who have signed up. CHICAGO BEARS HUNT FOR FOOD AND SHELTER October 14, 2001 through December 14, 2001

The Hunt for Food and Shelter fund-raiser runs through the football season and benefits food pantries and shelters throughout Chicagoland. We are delighted to report last year's Chicago Bears and Aon Hunt for Food and Shelter, co-sponsored by Sears, American National Bank & Trust Co. of Chicago, and Mars 2112, raised over \$125,000 which will be matched by 50% through Bears Care's partnership with the McCormick Tribune Foundation. This will allow us to donate over \$185,000 in support of agencies such as the Chicago Coalition for the Homeless, the Greater Chicago Food Depository, Habitat for Humanity, Haymarket Center, Boys/Girls Hope, Lexington College, Settlement House, and A Safe Place. These agencies provide food and shelter to those in need and also offer disadvantaged families the resources and opportunities needed to overcome the obstacle of poverty and enable them to improve their quality of life.

The fifth annual Hunt for Food and Shelter fund-raiser will kick off Sunday, October 14th with the "A Buck A Seat Helps Others Eat" collection drive prior to the Bears/Cardinals game at Soldier Field. Families of Chicago Bears players and coaches as well as Bears staffers and other volunteers will collect monetary donations from fans attending the game. If every fan attending the game were to donate \$1, with the 50% match through Bears Care's partnership with the Robert R. McCormick

Tribune Foundation, proceeds could easily become a \$100,000 contribution.

In the second phase of the program, schools and businesses conduct their own collection drives with contributions being added to the Hunt for Food and Shelter campaign, "Kids Helping Kids -Make the Winning Team!" involves schools throughout Chicagoland. By collecting money for those in need, students can help others while learning about smart philanthropy. Businesses participate in the fund-raiser through the "Business Blitz To Tackle Hunger" program. By placing a collection can in their storefronts, local merchants can show their support with monies collected from their

We would like to thank all of the schools and businesses that participated in the 2000 Chicago Bears & Aon Hunt for Food and Shelter. Their tremendous enthusiasm and generosity helped to

make this Hunt for Food and Shelter the most profitable to date!

If you would like to sign up your school or business to participate in the 2001 Hunt for Food and Shelter, please call the Bears Care information line at 847/739-5327.

If you would like to volunteer to deliver collection cans from the Chicago Bears office in Lake Forest to schools or businesses participating in the 2001 Hunt for Food and Shelter, kindly leave your name and phone number or email address on our Bears Care hotline, 847/739-5327.
